## SOFTWARE DEVELOPER INTERN

MUMBAI, INDIA | 8355887370 | pratik07458@gmail.com | linkedin.com/in/pratik-suryawanshi-52685018a

### SUMMARY

Detail-oriented web developer currently completing an internship in software development, with hands-on experience in React.js and a strong foundation in HTML, CSS, and JavaScript. Skilled in building responsive, user-friendly web applications and eager to apply technical skills to contribute to project success and team growth.

### TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JavaScript, React.js
- **Backend :** Java, NodeJs
- **Database:** MySQL
- **Tools :** Git, Visual Studio

### PROFESSIONAL EXPERIENCE

#### SOFTWARE DEVELOPER INTERN, TECH SIERRA

Dec 2024 - Present

- Assigned to a project utilizing React.js, contributing to the development of user interfaces.
- Utilized React Native to create cross-platform mobile applications, enhancing user engagement and accessibility.
- Assisted in reviewing tickets and collaborating with the development team to resolve issues.
- Learned to utilize version control systems (Git) for managing code changes and collaboration.

#### JR. ENGINEER – IT/R&D, SEGOMA IMAGING TECHNOLOGIES PVT. LTD.

03/2023 – 01/2024

- Maintained and troubleshooted Windows OS for optimal performance and security.
- Provided hardware and network support to the operations team, diagnosing and resolving connectivity issues.
- Utilized remote desktop tools to troubleshoot and resolve technical issues for end-users
- Ensured compliance with workplace safety standards and procedures.

#### ME TRAINEE, CANON INDIA PVT. LTD.

08/2021 – 08/2022

- Provided technical support for Canon production printers, ensuring high uptime and optimal performance.
- Performed routine maintenance and servicing to ensure optimal performance and longevity.
- Assisted in the installation and configuration of Canon printers, ensuring proper network integration.
- Collaborated with the engineering team to provide feedback on product performance

### PERSONAL PROJECT

#### 1) E-commerce Web Application

- Developed a cross-platform e-commerce web application using React.js, enabling users to sign up, sign in, and create profiles.
- Implemented a robust API integration to fetch and display product data dynamically, ensuring real-time updates and seamless user experience.
- Designed the application architecture with a focus on scalability and maintainability, following best practices in code organization and modular design.
- Utilized state management with Redux to efficiently manage application state and improve performance across components.

## 2) Personal Portfolio Website

- **Description:** Developed a personal portfolio website using Next.js
- **Technologies:** React.js, HTML, CSS, JavaScript.
- **Features:** Responsive design, services, contact details, and smooth navigation.

## 3) Project on Java to store HTML form data in MYSQL Database

- Created a registration form using Java Eclipse as it provides excellent support for wide range of programming languages.
- Using JDBC connection from Maven Repository setup connection to interact with the database.
- Stored user registration data from HTML form page into MySQL Database.
- Tools and Technologies used :
  1. MySQL Connector Java – 8.0.22
  2. Apache Tomcat – 9.0.82
  3. Eclipse IDE

## EDUCATION

### PG Diploma in Advanced Computing

CDAC, Pune | 2024 | 55.38%

### B.E. in Electronics & Telecommunication Engineering

University of Mumbai | 2020 | 57.78%

### H.S.S.C (XII)

Maharashtra State Board | 2016 | 60.46%

### S.S.C (X)

Maharashtra State Board | 2014 | 85.40%

## PERSONAL DETAILS

- **Languages:** ENGLISH, HINDI, MARATHI.
- **Certifications:** CDAC (Centre for Development of Advance Computing).
- **Awards/Activities:** Second prize in intra-college sports competition, Volunteered in College for the Colosseum event, Participated in auditing for the Voluntary Voting System Guidelines (VVSG).
